1. ADMINISTRATION

I. COLLEGE WEBSITE

The institution's website is regularly updated to reflect the latest developments and serve as a mirror of its operations. It provides information about events, critical alerts, and other updates. The institution handles service by its own. The website displays announcements, events, extracurricular activities, and recent notifications. It also provides comprehensive information about the college's academic programs, campus life. The university website also handles exam-related tasks, including enrollment forms and result announcements.

II. LMS

The e-Campus College Management System is a Learning Management System implemented by our institution, enabling teachers to create and present materials, track student engagement, evaluate performance, administer quizzes and exams, promote peer learning, and provide personalized education.

2. FINANCE AND ACCOUNTS

Reports on analysis, balance sheet, and open and close were produced. Sufficient security protocols were used to ensure the privacy of the transactions. In most cases, payments were made and received both online and offline using methods like bank transfers, QR codes, etc.

3. STUDENT ADMISSION AND SUPPORT

The admissions procedure was open and transparent, according to our institution, and it was supported by ethical norms and regulations. Guidelines are followed during the admissions procedure.

4. EXAMINATION

The college enters internal and practical marks through the exam portal. According to university regulations the exam supervisors, the annual exams are administered in three shifts.
