Our forests are important sources of natural wealth covering one fifth of the country's land area. They supply the timber for the railways house building and furniture making. They also supply the fuel for cooking and the bamboo for papermaking medicinal herbs also come from the forests. In older days our wise men and philosophers had their ashrams in the forests. There ashrams were centres of knowledge and learning unfortunately forests were ruthlessly cut down in the past few years. While the forests are disappearing, the demand for timber is growing we must, therefore, protect and develop our forests 'Van Mahotsava' is an important step in this direction. It is observed in July every year. During this week lakhs of saplings are planted throughout the country. This is being done to restore our fast disappearing forests.
