Propagating dignity of labour with cleanliness drive by

MSW Department and NCC Cadets

Conducted on 10.12.19

Students :- 30

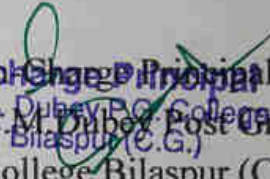

Venue :- Deendayal Garden

A clean ,working environment is positive in many ways. Cleanliness is another name for godliness. Nature provides us with unadulterated natural beauties. Man has proved to be a villain. We have polluted the environment beyond redemption. Outdoor spaces and garden are necessary places to unwind and spend time bonding with kids in fresh air,colorful flowers and trees. It is crucial to keep the garden clean and clear of fallen leaves and litter. Maintaining a beautiful and clean garden is also a stress buster and responsibility of the citizens.

The students of CMD College were taken to the Deendayal Upadhyaya Garden, Bilaspur under the supervision of NCC incharge, Mr Vikas Markam to carry a cleanliness drive.The intention of the program was to inculcate dignity of labour amongst the students and help them understand their social responsibility and commitments towards the call of Central Government for health and hygiene.The young group also motivated the other citizens to come out and contribute towards their own share. The group of students cleaned the lawn of litter and fallen leaves. They also provided plants for plantation. Thus the one day program was highly successful in achieving the purpose and aim behind this

initiative. Media coverage also helped in spreading the aim behind the mission to all the citizens. The citizens were extolled to keep the cleanliness of the garden as prime focus as this garden is popular for walk and amongst the children. The drive was successful and highly appreciated by the public.
