ANNUAL REPORT 2023-2024

INTRODUCTION

Your Excellency Pt. Sanjay Dubey, the Chairman and Patron of the College, and respected members of the governing body: I thank God Almighty for having given me the great opportunity to present the annual report of C.M.Dubey post Graduate College, Bilaspur for the academic year 2023-2024. The classes for UG were started on september And the PG Classes began on august

HIGHLIGHTS AND INITIATIVES OF THE YEAR

SSR SUBMITTED

We gathered the results of the student survey this year as well. We submit the report to AQAR criteria after it is collected. We receive 30% more. We also gathered information from the pupils.

Virtual Classroom

A virtual classroom was developed to support online education. The virtual classroom offers MOOCs, Microsoft Excel programs, faculty video lectures and podcasts, PowerPoint presentations, and other online tools.

Library Renovated

The college's main library received a makeover and renovation. The library's atmosphere has been improved by gorgeous new shelving and furnishings, gorgeously painted walls, and additional lighting.

Divyanjan friendly campus

The amenities for physically challenged people have been improved, making the college campus divyanjan-friendly.

The disabled have access to separate restrooms, special exam rooms, and amenities-equipped restrooms. Computers for the disabled, ramps for the disabled in each block, and wheelchairs and other equipment have been given. Physically impaired students can now use the college's braille software, scribes, and special seating arrangements in the library.

Website Revamped

The College's newly redesigned website is currently operational. The website is easier to use and has a new, modern appearance. Notifications about various activities have been uploaded on the college website. Various images and videos on social media and websites.

Digi Campus

In order to improve e-governance practices and provide students with technology-based education, the campus's digital infrastructure has grown dramatically. The campus is almost finished with its digital makeover. Additionally, the new building has new ICT.

Koha

By moving from Inlibnet to Koha, the top open source Integrated Library Management System (ILMS), library automation gained momentum throughout the year. The information was moved to Koha from Inlibnet.

IT Infrastructure Update

This year, 15 LCD projectors and five TVs were put in classrooms as part of the effort to make more classrooms ICT-enabled. Fourteen brand-new desktop computers of the highest caliber have been added to the digital library. Throughout the year, four new printers and a cutting-edge document scanner were also purchased. During the year, three 3 KV UPSs and one 5 KV UPS were also purchased.

Wifi Upgradation

The college has a Jio fiber connection, which has improved its internet capabilities. Cables made of fiber are used at the campus. Thanks to these improvements, the college now has unbroken wifi.

Financial Literary Cell

To help students learn more about finance, the college established a financial literary cell. It is anticipated that in the upcoming years, the cell's operations would reach the underprivileged.

Institutional Performance Survey

A survey on institutional performance was carried out by the college in 2022. The staff council and IQAC discussed the feedback.

Curriculum Workshops

The different departments of the college have organized many faculty development workshops to discuss the changes in the syllabus of UG and PG Programmes. Such programmes attracted teachers from other colleges to the campus.
