ABOUT THE UNIVERSITY

Atal Bihari Vajpayee University is a State public University which has been established by the Gazette notification on 03.02.2012 of Chhattisgarh Act No 07, 2012, the Chhattisgarh Vishwavidyalaya (Amendment) Act, 2011 and came in to its existence in June, 2012. The University is situated on In Front of Koni Police Thana, Bilaspur- Ratanpur Road, Koni, Bilaspur (C.G) 495009. The jurisdiction of Atal Bihari Vajpayee University is extended to 04 districts of the state, University has more than 110 affiliated colleges where students are studying in UG, PG and Ph.D. programs. University has teaching departments. The University plans to develop strategy for enhancing the range of pedagogic approaches and the use of technology. As a part of this approach, the University plans to start classrooms into state of the art ones, enabling teachers to teach using wide variety of media.

ABOUT THE COLLEGE

C M Dubey College was founded in the year 1956 by Late Pandit Dwarika Prasad Dubey. It was founded with the aim to spread benefits of education in this part of the country. The college was started as a coeducational institution with Commerce and Arts. Generous donations from the members of Dubey family and others placed the college on a firm footing with a band of devoted teachers. Soon within a short span of three years the college had its own building the number of students reached to 371 by 1958. By 1961 teaching in the Science faculty had started and the growth of the students and staff was rapid. The college started imparting instructions up to the Postgraduate level in 1963 by opening, PG classes in Commerce, English, Hindi and Sanskrit. It soon became a constituent College of the Pt. Ravishankar University, Raipur. The college was affiliated to Guru Das University, Bilaspur from 1983 up to its upgradation as Central University. Now, it is affiliated with Atal Bihari Vajpayee Vishwavidyalaya, Bilaspur from July 1st, 2012.

ABOUT THE DEPARTMENT

The microbiology department is one of the premier and oldest department of the college. The department was established in 1998 with a vision to established itself as one of the best study centre of Microbiology with a focus on cutting edge technology and Lab to Land practices and to produce career ready microbiologist. The department offers UG and PG programs and endowed with well qualified faculty members strongly committed to impart high quality teaching in Microbiology. It has well equipped laboratory in core and specialized area of Microbiology. The mission of the department is to educate and train students in the discipline of Microbiology and to expand the body of knowledge of the scientific field through research.

ABOUT THE CONFERENCE

The RTMBB is a National conference that aims to discuss the current trends and researches in the field of life sciences and how they are evolving to overcome challenges and to prepare future growth. The conference session will have provide keynote addresses by eminent personalities from industry and academia and also oral and poster presentations based on session theme. This conference will provide an excellent opportunity to academicians, industrialist and scientific community to exchange their ideas and findings for cumulative growth and mutual benefit. The topic to be covered (but not limited to) in this conference.

SCIENTIFIC THEMES

- Role of Microorganisms in Agriculture, Industry & Medical
- Evolutionary and Genomic Microbiology
- Food Microbiology
- Environmental Pollution and Green Energy
- Novel Separation Process
- Waste Management
- Mycological Bio-remediation
- Extraction and Isolation of Secondary Metabolites
- Herbal Formulation
- Renewable Energy
- Biochemistry
- Health Biotechnology
- Nano-Biotechnology
- Immunology Infectious Diseases
- Host-Pathogen Interaction
- Waste to Wealth
- Other Miscellaneous Topics

ABOUT THE BILASPUR CITY

Bilaspur city situated on the bank of Arpa river is 125 km north of the capital, Raipur. It is the second largest city in the state of Chhattisgarh. Chhattisgarh State High Court at Bilaspur privileges it to host the name 'Nyayadhani' (Law Capital) of the state. Bilaspur is known for aromatic Doobraj rice, handloom woven colorful soft Kosa silk saree, and more for its rich, varied and colorful culture. Bilaspur, also known as "The City of Festivals", is a city located in Bilaspur District in the Indian state of Chhattisgarh. Bilaspur is the Administrative headquarters of the Bilaspur District and Bilaspur Division. Bilaspur Railway Station is the one of the most important junctions of Chhattisgarh state. Hence not surprisingly it is the busiest station of Chhattisgarh state and fourth busiest in all of Central India. The average temperature in Bilaspur in December for a typical day ranges from a high of 66°F (19°C) to a low of 45°F (7°C). Some would describe it as mildly cool.
